## *Planetary City of Light - York*

---

### Planetary City of Light

[Planetary Healers Yorkshire](#) is a small group of dedicated individuals acting as ground crew for the creation of a Planetary City of Light (PCOL) for York, UK. This is part of a [major project](#) of the Group of Forty (GOF), an organisation led by David Miller and the Arcturians.

The requirements to create a PCOL are set out on the GOF website and involves setting up crystals at key locations. This has been done for York. The PCOL will be activated by Juliano and the Arcturians in January 2021.

#### Summary of progress to date and plans for the future

Jan/Feb 2020: Main anchor point set up in Museum gardens

September 2020: Outer boundary (outer ring road) set up

#### York Walls

30<sup>th</sup> November 2020: Full Moon and penumbral lunar eclipse. A Bless the Grids ceremony was carried out at the Red Tower after a walk around the walls from Bootham bar (clockwise in accordance with Covid instructions). Details of this can be found on [the Planetary Healers Yorkshire website](#).

14<sup>th</sup> December 2020 (Monday): Solar eclipse – The walls walk will continue from Walmgate bar with a Bless the Grids ceremony at Baile Hill. The walk will finish at Micklegate bar.

21<sup>st</sup> December 2020 (Monday): The walls walk will be completed with return to Bootham bar and a Bless the Grids ceremony in the Museum gardens.

#### Winter Solstice

On 21<sup>st</sup> December 2020, Winter Solstice, there will be a huge influx of high frequency energy to planet earth when the Cosmic Dragon lines arrive. More details of the free activation on 20<sup>th</sup> Dec with Sananda and Shekinah can be found on [Twinray.com](#) and on the app under Cosmic Conversations – Earth's Ascension story with Christof.

The plan is to connect the Cosmic Dragon line energies with the grids at York during our ceremony in the Museum gardens.

#### Future plans

In January 2021 it is also planned to make a pilgrimage to Tintagel via Glastonbury when we will be able to connect in the Ain Soph stargate energies. Details of the Ain Soph stargates is at [link](#).

## Map of York Walls

### Summary of walks

Start of walk (30 Nov 20) Bootham bar walk round to Walmgate bar, via Red Tower

Planned walk (14 Dec 20) Walmgate bar to Micklegate bar via Baile Hill which is near to Skeldergate postern wall.

Planned walk (21 Dec 20) Micklegate bar to Bootham bar and walk to Museum Gardens for ceremony.

Detailed Plan for Mon 14<sup>th</sup> Dec (Solar eclipse time 1.30 pm UK)

Meet at 11am at Walmgate bar.

Walk clockwise on walls. We will stop at Baile hill for our 30min ish ceremony. **So please bring a chair.**

It is a bit muddy on top of the hill, so **please bring good walking boots.**

After the ceremony, we will proceed to Micklegate bar and walk back down Micklegate to town, stopping at a local place to eat for a late lunch.
