Guardians of Gaia Codes

Activate Rishi codes using pineal induction technique

*Sit upright and relax by taking three deep breaths
Visualize pink rose coloured light around your heart area.
Circle your hands to create a sacred space for the activation of the codes*

Guardian Code to create sacred space
Universal Centredness Key to align with Hara
Plasma Flame to clear the field
Excalibur Activation code of AS

Optional codes that can also be used
Eye of Karma - to free location from Karmic trauma
Krystic Server - to activate the Krystal server codes
Trinity Wave code of AS
Aurora Orbs to support the reprogramming of the grid
Plasma Flame Hypercube Fusion code to clear obstacles etc.

Pineal Induction technique

The pineal induction technique involves looking carefully at the code (preferably animated) and taking a mind's eye snapshot.

On the in breath load the code into your pineal gland at the centre of your head through the third eye (just above your eyes on your forehead).

It is loaded into the **master cell at the centre of the pineal gland**
The master cell connects with all cells and parts of your body
On the out breath feel it flowing to all the cells and body

Send down to 2nd dimensional Earth Grid templates

Breathe the code back up to the pineal gland and on the out breath send the code down your central power column (down your spine)

Down to the centre of the Earth - the liquid iron core at the centre of the Earth
Hold it there and feel it connecting to the earth grids

Heart Centre

Breathe the code back up to your heart centre
Feel it upwelling there into your bio energetic field and into the intelligent space around you and into the grid network.

I AM My I AM Presence and I AM One with the I AM Presence of ALL Humanity. As One Voice, One Breath, One Heartbeat, and One Energy, Vibration, and Consciousness of Pure Divine Love I invoke the Twelve 5th-Dimensional Solar Aspects of Deity

"Hail Mother, full of Grace, the Lord is with Thee. Blessed art Thou amongst women and blessed is the fruit of Thy womb "I AM." Hold for us NOW the Immaculate Concept of our true God Reality from this moment unto our Eternal Ascension in the Light. I AM That I AM." (Pause)
